TPI's Golf 2 class builds on the Body-Swing Connection™ taught in Level 1 by linking the Body-Swing Connection™ to the actual flight of the golf ball. Using the power of TPI's research on over 1,000 Tour professionals, Dr. Jeff learned insights into what the best golfers in the world do and how it can help them become a better golf coach. This course is designed for serious golf performance instructors who desire to be at the forefront of how golf is taught at the highest levels.
