WHAT IS K-MOTION/VEST

K-Motion, the maker of K-Coach and K-Player, is the industry leader in wireless, human motion learning for the sports, fitness and medical industries. The company's cloud-based products create a complete end-to-end training solution that empowers coaches to get athletes and patients better faster. The company combines industry leading sensor accuracy with never before seen software features in a highly reliable, easy to use product that helps top golf coaches, baseball coaches, movement and fitness specialists and health care providers. K-Motion works with seven of the Top Ten on the Golf Digest Top Teachers List, Major League Baseball and National Hockey League teams, world-renowned fitness coaches and health care providers as well as Olympic athletes.
